Born in Moscow. One of the greatest ballerinas of our time, Polina joined the Staatsballett Berlin as a principal dancer right after graduating from the Bolshoi Ballet School at only 17 years old.

She has been a principal guest with the world's most prominent ballet companies, including the American Ballet Theater, Teatro alla Scala, Stuttgart Ballet, and many others. Polina has collaborated with nearly every major choreographer alive today, and the majority of them have created roles specifically for her.

Polina was appointed the youngest honorary professor at the Berlin State Ballet School. She was also named "Berlin Chamber Dancer" by the Berlin Senate in 2017.

Aside from her exceptional career, Polina is interested in new collaborations with artists from other sectors, and via one of these partnerships, she produced her own perfume "Precision and Grace" from the "Beautiful Mind Series" with Master-Perfumer Geza Schön.
